The NY State STOP-DWI Foundation, Inc., through funding from the NYS Governor's Traffic Safety Committee, is pleased to sponsor a statewide training to benefit local STOP-DWI efforts in New York State. This seminar is free of charge to all STOP-DWI partners engaged in preventing impaired driving.

In this class, the audience will discuss common distraction techniques. This class shows how the same techniques used by magicians are also being used by suspects daily. Students will learn how to break down the techniques so they understand how a suspect could easily distract them to ditch, palm, steal, or otherwise misdirect the officer while evidence disappears. Officers will leave this course with a higher level of officer safety and suspect behavior knowledge.
